1. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

1.1 General

The remuneration report of the Company for the financial year ended 30 June 2015 is set out in MTB's 2015 Annual Report which is available on MTB's website: www.mountburgess.com.

The remuneration report sets out the Company's remuneration arrangements for Directors. The Chairman of the meeting will allow a reasonable opportunity for shareholders to ask questions about, or make comments on, the remuneration report at the meeting. In addition, shareholders will be asked to vote on the remuneration report. The resolution is advisory only and does not bind the Company or its Directors. The Board will consider the outcome of the vote and comments made by shareholders on the remuneration report at the meeting when reviewing the Company's remuneration policies. Under the Corporations Act 2001, if 25% or more of votes that are cast are voted against the adoption of the remuneration report at two consecutive AGMs, shareholders will be required to vote at the second of those AGMs on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director) must go up for re-election.

The Board unanimously recommends that shareholders vote in favour of adopting the Remuneration Report and encourages all shareholders to cast their votes on Resolution 1.

1.2 Voting Restrictions where Proxy is Chairman or Key Management Personnel

In accordance with section 250R (4) of the Act, no member of the key management personnel of the Company or a closely related party of such a member may vote on Resolution 1.

However, in accordance with the Act, a person described above may vote on Resolution 1 if:

- It is cast by such person as proxy for a person who is permitted to vote, in accordance with the direction specified on the proxy form how to vote; or
- It is cast by the Chairman as proxy for a person who is permitted to vote, in accordance with an express direction specified on the proxy form to vote as the proxy decides.

Chairman appointed as proxy:

If the Chairman is appointed as a proxy for a person who is permitted to vote on this Resolution 1, the Chairman will vote any proxies which do not indicate on their proxy form the way the Chairman must vote, in favour of Resolution 1.

1.3 Definitions

Key Management Personnel has the same meaning as in the accounting standards and broadly includes those persons having authority and responsibility for planning, directing and controlling the activities of the Company, directly or indirectly, including any director (whether executive or otherwise) of the Company.

Closely Related Party of a member of the Key Management Personnel means:

- (a) a spouse or child of the member;
- (b) a child of the member's spouse;
- (c) a dependent of the member or the member's spouse;
- (d) anyone else who is one of the member's family and may be expected to influence the member, or be influenced by the member, in the member's dealing with the entity;
- (e) a company the member controls; or
- (f) a person prescribed by the *Corporations Regulations 2001 (Cth)*.

Remuneration Report means the remuneration report set out in the Director's report section of the Company's annual financial report for the year ended 30 June 2015.

2. RESOLUTION 2 - RATIFICATION OF A PREVIOUS ISSUE OF SECURITIES TO SOPHISTICATED AND PROFESSIONAL INVESTORS IN NOVEMBER 2014

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period to that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

ASX Listing Rule 7.4 sets out an exception to ASX Listing Rule 7.1. It provides that where a company in general meeting ratifies the previous issue of securities made pursuant to ASX Listing Rule 7.1 (and provided that the previous issue did not breach ASX Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of ASX Listing Rule 7.1

Shareholder approval can be obtained either before or after the equity securities are issued.

Resolution 2 is an ordinary resolution under which the Company seeks approval from Shareholders for and ratification of the shares detailed below to Sophisticated and Professional Investors and confirms that the issue did not breach the Company's 15% placement capacity under ASX Listing Rule 7.1 or ASX Listing Rule 7.1A at that time.

No. of Securities Issued:	12,500,000, ordinary shares pre consolidation (1,785,715, ordinary shares post consolidation), representing 1.18% of the total number of Equity Securities on issue at the commencement of the 12 month period.
Issue Price:	0.08 of 1 cent per share, pre consolidation, representing a 20% discount to the market price at the time.
Use of Proceeds:	The Company has applied all of the \$10,000 funds raised in the above placement towards working capital and corporate administration costs.
Terms of Securities:	All shares were issued as fully paid ordinary shares ranking equally with existing shares. Quotation on the ASX was sought and obtained.
Allottee:	The shares were issued to a Sophisticated and Professional Investor. The allottee was not a related party.
Recommendation:	The Board believes that the ratification of these issues is beneficial for the Company. The Board unanimously recommends Shareholders vote in favour of Resolution 2, as it allows the Company to ratify the above issues of Shares and retain the flexibility to issue the maximum number of equity securities permitted under Listing Rule 7.1 without shareholder approval.

3. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – CHRIS CAMPBELL-HICKS

In accordance with Listing Rule 14.4 and the Company's Constitution, at every Annual General Meeting, one third of the Directors for the time being must retire from office by rotation and are eligible for re-election. The Directors to retire are to be those who have been in office for 3 years since their appointment or last re-appointment or who have been longest in office since their appointment or last re-appointment or, if the Directors have been in office for an equal length of time, by agreement.

Mr Campbell-Hicks retires by rotation at this meeting and, being eligible, offers himself for re-election.

Chris Campbell-Hicks Non Executive Director

Mr Campbell-Hicks 67 has more than forty years experience in the mineral processing industry in base metals, precious metals, alumina and iron ore. He has spent extensive time developing projects in Africa, South America, PNG, Fiji, Indonesia, Turkey and Kazakhstan as well as five years with Barrick Gold as Manager Metallurgy, based in Moscow, Siberia and Canada. In 2005, Chris spent some six months in Botswana overseeing the construction, commissioning and training for the operation of the Tati nickel, copper, cobalt plant.

Chris was founding Director of Mineral Process Control which successfully developed and commercialised the original cyanide leach accelerator LeachWELL. As senior design engineer with Western Minerals Technology he was a key member of the team that successfully designed and constructed the copper, nickel, cobalt low

temperature Activox acid leach SX-EW demonstration plant that won the Australian national award for engineering excellence in 2004.

The Board (other than Mr Campbell-Hicks) recommend that Shareholders support the resolution re-electing Mr Campbell-Hicks as a director of the Company.

4. RESOLUTION 4 – RE-ELECTION OF DIRECTOR – MS KAREN CLARK

In accordance the Constitution, Directors who are appointed to the Board during the year must offer themselves for re-election at the first Annual General Meeting after their appointment. Ms Karen Clark was appointed to the Board on 25 August 2015 and therefore offers herself for re-election.

A profile of Ms Clark is outlined below:

Karen Clark Non-Executive Director

Following employment with the British Institute of Management, Karen Clark joined Gresham House plc in 1974. Gresham House was involved in asset management and investment trusts. Karen was Company Secretary to fifty companies as well as Director of some forty companies, alongside previous Director of Mount Burgess Mining Fred Stirling until 2008. Since 2008, Karen has been Company Secretary of six Companies and a Director of a number of companies with Fred Stirling.

The Board (other than Ms Clark) recommend that Shareholders support the resolution re-electing Ms K Clark as a director of the Company.

5. RESOLUTION 5 – APPROVAL OF 10% PLACEMENT FACILITY

5.1 General

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12 month period after approval at the Annual General Meeting (10% Placement Facility). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking shareholder approval to have the ability, by way of a special resolution, to issue Equity Securities under the 10% Placement Facility.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to 5.2 (c) below).

Subject to securing title to the Kihabe Zn/Pb/Ag project, currently under application in the High Court of Botswana, the Company will continue with resource development activities. In the event that the Company fails to secure title to the Kihabe project it will seek to acquire new resource assets or investments. Accordingly the Company may use the funds raised from the issue of Equity Securities under the 10% Placement Facility on the Kihabe project and/or acquisition of new resource assets or investments.

5.2 Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an Annual General Meeting.

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company currently has only one class of quoted Equity Securities on issue being the Ordinary Shares in the Company.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12 month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

- A** represents the number of shares on issue 12 months before the date of issue or agreement:
- (A) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
 - (B) plus the number of partly paid shares that became fully paid in the 12 months;
 - (C) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
 - (D) less the number of fully paid shares cancelled in the 12 months.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

At the date of this Notice, the Company has on issue 153,227,958 Equity Securities. It therefore has a capacity to issue:

- (i) 22,984,193 Equity Securities under Listing Rule 7.1; and
- (ii) subject to Shareholder approval being sought under Resolution 5, 15,322,795 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer 6.2(c) above).

(e) Minimum Issue Price

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) 10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the Annual General Meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained; or
- (ii) the date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking), or such longer period if allowed by ASX.

5.3 Listing Rule 7.1A

The effect of Resolution 5 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

Resolution 5 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

5.4 Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

(a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(b) If Resolution 5 is approved by shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing shareholders' voting power in the Company will be diluted as shown in Table 1 below. There is a risk that:

- (i) the market price of the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities are issued as part of consideration for the acquisition of a new asset, which may have an effect on the amount of funds raised by the issue of the Equity Securities.

Table 1 shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

Table 1 also shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the current market price.

Table 1

Variable "A" in Listing 7.1A.2		Dilution		
		\$0.001 50% decrease in issue price	\$0.002 issue price	\$0.004 100% increase in issue price
153,227,958 Current Variable A	10% Voting Dilution	15,322,795 shares	15,322,795 shares	15,322,795 shares
	Funds Raised	\$15,322	\$30,645	\$61,291
229,841,937 50% increase in Current Variable A	10% Voting Dilution	22,984,419 shares	22,984,419 shares	22,984,419 shares
	Funds Raised	\$22,984	\$45,968	\$91,936
306,455,916 100% increase in Current Variable A	10% Voting Dilution	30,645,591 shares	30,645,591 shares	30,645,591 shares
	Funds Raised	\$30,645	\$61,291	\$122,582

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- (ii) No Listed Options (including any Listed Options issued under the 10% Placement Facility) are exercised into Shares before the date of the issue of the Equity Securities;
- (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
- (v) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- (vi) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Listed Options, it is assumed that those Listed Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- (vii) The issue price is \$0.002, being the closing price of the Shares on ASX as of the preparation of this notice.

(c) The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 5 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities or Listing Rule 11.2 (disposal of main undertaking).

(d) The Company may seek to issue the Equity Securities for the following purposes:

- (i) non-cash consideration for the acquisition of the new resources assets and investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or
- (ii) cash consideration. In such circumstances, the Company intends to use the funds raised towards the exploration activities at its existing projects and/or for acquisition of new assets or investments (including expenses associated with such acquisition) and general working capital.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable)

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company is successful in acquiring new resource assets or investments, it is likely that the allottees under the 10% Placement Facility will be the vendors of the new resource assets or investments.

(e) The Company was previously granted approval for a 10% Placement Facility under LR7.1A at its Annual General Meeting held on 27 November 2014. In accordance with LR7.3A.6, the Company provides the following information:

LR7.3A.6(a).

- The total number of equity securities issued in the 12 months preceding the date of the meeting amounted to 12,500,000 ordinary shares pre-consolidation (1,785,715 ordinary shares post consolidation) representing 1.18% of the total number of Equity Securities on issue. These were issued under LR7.1, the 15% placement facility.

LR7.3A.6(b).

- The 12,500,000 ordinary shares issued pre-consolidation (1,785,715 ordinary shares post consolidation) were in one single issue.
- The above shares were issued as fully paid ordinary shares, ranking equally with existing shares. Quotation on the ASX was sought and obtained.
- The shares were issued to John Hardie, a Sophisticated and Professional Investor. The Allottee was not a related party.
- The shares were issued at 0.8 of 1 cent, pre-consolidation, representing a 20% discount to the market at that time.
- The issue was for cash consideration of \$10,000. The funds raised have all been applied to working capital and corporate administration costs.

(f) A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.
