Research and Development Claim

Mount Burgess Mining NL (ASX: MTB, or the Company) is pleased to report that it has received \$94,452 in relation to the Company's Research and Development (R&D) claim for the financial year ending 30 June 2017.

The claim relates to a range of technical development activities carried out in Australia in respect of metallurgical extraction processes trialed on oxide mineralisation from our Kihabe Zinc, Lead, Silver Project in Botswana.

Received funds will be applied to the continuation of resource development.

The Company appreciates the support of the Federal Government through the R&D Tax Incentive Scheme.
